Cadott, WI - Nothing says Christmas like the smell of fresh evergreens. Now, a couple who spends their summers helping brides and grooms tie the knot is trimming the area with Christmas wreaths and garland, starting this Sunday.

"We love the holiday season, so it just seems right to celebrate with the community," owner Becky Mullane said.

Dixons Apple Orchard invites families from all over the area to the second annual "Deck the Halls with Dixons" event Sunday, November 26th from 11 a.m. to 4 p.m. where their event venue will be filled with activities.

Dixons Apple Orchard has turned into evergreen central. They serve retail and wholesale customers all season, even trimming entire cities with their handcrafted evergreens around the Midwest. They will have evergreens and wreaths available for purchase at the event.

"It's fun to see people just simply enjoying the time before Christmas," Mullane added.

Families can expect to enjoy free live music, holiday hayrides, local handmade craft vendors, free crafts for kids, wood-fired pizza, wreaths and a s'more bar for purchase with make and take decorating classes and free cider and popcorn.
